

A must-read book for men...and those who love them.

—JON GORDON

BEST-SELLING AUTHOR, *THE CARPENTER AND TRAINING CAMP*

This is an important book. I'm an avid reader, but this one book is a game changer. I believe it will be a soul-stirring gift to men and its impact will be felt by their mothers, sisters, wives, and children, indeed the whole body of Christ. When God's sons reject the lies of the enemy and embrace their strength, purpose, and destiny, it will be felt by the church, the nation, and the world.

—SHEILA WALSH

AUTHOR, *PRAYING WOMEN*

When you pick up a book about biblical manhood, you want to know that the author walks the talk and has proved the concepts he writes about to be true in his own life. I can think of no finer example of this than Tim Clinton. In the many years I have known Tim, I have personally seen him model biblical manhood as he has loved his wife, Julie; raised his incredible children, Megan and Zach; and worked tirelessly to lead thousands of men to the cross. I could not be more excited that he is now sharing his wisdom with other men through this book.

—JOE WHITE

PRESIDENT, KANAKUK MINISTRIES

AUTHOR AND SPEAKER

Dr. Clinton is calling men to their true identity. He reminds us that in an age when culture tells us to seek our own ease and comfort, God calls us to something altogether different. Tim is telling all who will hear that their lives are much greater than themselves. After a lifetime of leadership and educating, Tim has amazing insight into human nature and the decisions we make. Tim has written an exceptional reminder to us all that God calls us to rise above our culture and be men He is proud to call His sons.

I am a comedian. But the most serious job I have on this earth is being a mom to my son. Dr. Clinton has written an incredible book not only to guide my son but to strengthen my resolve for us both to become *all* God intended for us to be.

The meaning of a man has been lost in our generation. While culture is attempting to redefine manhood, it is time to return to the Bible to see what God says about what it means to be a man. This is why I am thankful for the call to every man that is issued by Dr. Tim Clinton and Max Davis in their book, *Take It Back*. From the inside out each man needs to step into this moment in history and step up to this dynamic challenge. Now is the time to carry out these words: “Be strong, and...be a man” (1 Kings 2:2, MEV).

—DR. RONNIE FLOYD
PRESIDENT AND CEO, SOUTHERN BAPTIST CONVENTION
EXECUTIVE COMMITTEE

Men today are drowning in a sea of low expectations, where compromise wins over convictions and convenience replaces courage. Spiritual

morality is redefined daily as many men sit on the sidelines of life, choosing to be entertained rather than challenged. In the midst of society's deafening noise, Dr. Tim Clinton draws the proverbial line in the sand and boldly declares, "Enough is enough!" Through the profound practicality of this book Clinton shouts a clarion call to all men: "Make your life count for God and His kingdom! Exhaust your gifts and die empty!"

Men, this book will not let you off the hook. In fact, chapter 17 alone—"A Regular Joe"—makes this a worthy read. It doesn't get any more regular than a shepherd boy or cupbearer! God is calling us to be restored to our rightful place as leaders, protectors, gatekeepers, and difference makers. Let's become a generation of men fully committed to one proposition: we are strategically here right now...to *take it back!*

Never before has it been more important to understand what it means to be a man created in God's image. talent...but for more men of character with hearts that follow hard after God.” Amen. May God use this message to help men take back their lives and then reclaim the culture, fulfilling God’s kingdom purpose.
